Board Notes July 17, 2020

Executive Director Thoughts: Last week I sent a note, as well as a survey, to our members regarding "Covid-19 Response from PK-12". This is a follow-up to the survey that was done in March regarding pay and benefits during the pandemic. This next survey will collect national data on re-entry plans, layoffs/furloughs, benefits, shortages and virtual-hybrid staffing. Summary data will be posted on our AASPA blog for anyone who would like to see it. Detailed responses and data will only be available to AASPA members. If you have questions on this survey or would like to help in any way please be sure to let me know at Kelly@aaspa.org

State Affiliate Leadership Retreat: We have moved the State Leaders Retreat to a virtual platform. We recognize that running volunteer educational associations has its challenges and as your national association, we would like to help. All sessions have been designed for the development and growth of your association membership and professional development. In addition, we have customized the agenda to include sessions to address the impact of COVID-19. We expect through attending this retreat you can come away with new resources and ideas that will improve your association structure, growth and overall bottom line. Please view the agenda below and plan on joining us. This virtual event will be through GoToWebinar. Participants will have the opportunity to ask questions. All sessions will be recorded and any PowerPoints or resource documents will be provided.

The **AASPA 2020 Virtual Summer Boot Camp** session recordings are available for purchase. We have seven breakout sessions recorded along with their PowerPoints and additional documentation. The session descriptions and registration can be found at <https://www.aaspa.org/boot-camp>.

Espresso Yourself at the **AASPA's 82nd Annual Conference** in Seattle, WA on October 13-16, 2020. As the association's most important priority and commitment is to protect the health, well-being, and safety of all our members and participants, we have also developed a virtual option for this event. We are still looking for presenters who would like to submit proposals on how COVID-19 has affected your district or what your district has planned for the future in regards to COVID-19. In addition, we are requesting presentations regarding diversity, equity and inclusion in your districts – how to hire a diverse workforce, how are your schools dealing with racial bias, what is your districts cultural awareness and more. These presentations can be done virtually or in-person. Go to <https://www.aaspaconference.com/clinics> and fill out a Call for Presenters form. The conference website, www.aaspaconference.com, is full of valuable information including links to conference registration, hotel reservations, pre-conference session descriptions, and much more! I hope you plan to join us and **Espresso Yourself** either virtually or in Seattle for AASPA's 82nd Annual Conference! Register today at <https://www.aaspaconference.com/register>!
